

**THE COUNCIL OF
EDUCATIONAL
FACILITY PLANNERS
INTERNATIONAL**

February 21, 2007

Dear Recognized Educational Facility Professionals of the Virginia Chapter,

On behalf of the Board of Directors, I congratulate you for your outstanding achievements in educational facility planning. By achieving this designation you have distinguished yourselves as cutting edge school planning professionals.

The REFP designation is a testimony to what you do on a daily basis in improving educational spaces for our children. Each one of you is a pacesetter, and your contributions help raise the performance levels in the K-12 school sector, which is constantly evolving and diversifying learning spaces.

The REFP program serves as a vehicle to raise public awareness about the profession of educational facility planning, providing you an opportunity to be respected by your peers and the communities you serve so well.

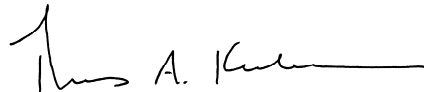

MISSION

CEFPI is the primary advocate and resource for planning effective educational facilities. We serve those who use, plan, design, construct, maintain, equip, and operate educational facilities.

In achieving this mark of distinction, we recognize your successful professional work and your efforts to engage in continuous improvement through ongoing professional development.

Congratulations again on your achievements and in making Virginia Chapter one of the vital groups of REFP's within our membership.

Yours Sincerely,

Thomas A. Kube
Executive Director/CEO
